

## **Kentucky Community and Technical College System Board of Regents**

### **Update Agenda Item:** Workforce and Economic Development Annual Report

**Background:** KCTCS has completed the Workforce and Economic Development Annual Report for fiscal year 2024. The publication highlights critical programs such as KCTCS-TRAINS and provides closeout figures for the year. Regents will receive a copy of the report. A brief presentation will outline business and industry partnerships and illustrate documented progress related to a pillar of the KCTCS strategic plan: Increase Employment Success.
