

Student Accessibility Resource Guide

This resource guide provides an overview of campus and local resources, as well as assistive technology that may be available to help you succeed. If you need assistance, this resource guide will point you in the right direction. Whether you need access to campus or local resources, help using assistive technologies, or assistance with Blackboard, Microsoft, Apple, or Publisher applications.

Campus/Local Resources

Here is a list of some college or local resources available to assist you. (Your college or local resources may not have all the resources listed.)
