TRANSFER PATHWAY GUIDE

2019-2020

Associate in Science to Bachelor of Science in Exercise Science

Overview

Completion of the following curriculum will satisfy the requirements for Associate in Science degree at the Kentucky Community and Technical College System and leads to the Bachelor of Science in Exercise Science at Georgetown College.

Admission Requirements

Upon completion of the associate of science degree as specified in the addendum, KCTCS graduates who meet admissions requirements and academic policies of Georgetown College will be eligible for admission to the Bachelor degree program at Georgetown pursuant to this Agreement. Students seeking admission to Georgetown must apply through the office of Admissions and must complete all of the following steps:

1. Complete an application for admission. The application is free and students can visit <http://gogc.me/apply>. In the application, students are required to indicate the date of their graduation from high school, or the date of completion of the GED exam, on their admission application.
2. Submit an official high school or GED transcript.
3. Submit official copies of transcripts for all post-secondary institutions attended. Only transcripts of regionally accredited colleges are accepted.
4. To be considered for admission as a transfer student, a student must have a minimum cumulative GPA of 2.0 for all classes taken.

Degree Requirements

Completion of elective courses that differ from the elective courses specified in this Agreement and any addenda and/or attachments to this Agreement could result in a correspondingly heavier course load for completion of such academic programs.

General Transfer Requirements

1. **Definition of Transfer Student:** Any student who has completed high school and has most recently been enrolled full-time at any other accredited institution is a transfer.
2. **Hours Requirements:** Transfer students with less than 24 hours must meet all criteria stated in GC admissions requirements, given that the student is in good academic standing at their most recent institution.

3. **Scholarships:** Transfer scholarships are based on a student's college coursework grade point average. These amounts are offered based on a range of a 2.0-4.0 GPA. Students are also highly encouraged to complete their FAFSA by visiting www.fafsa.gov.
4. **Special Circumstances:** Students applying to Georgetown College who have not maintained the minimum scholastic attainment for the number of cumulative quality hours attempted at their most recent institution must provide a personal statement examining the causes for the failure to thrive and proposing what will be different for the student if admitted to Georgetown.
5. **Academic Centered Experience:** If a student who has not maintained the minimum scholastic attainment from their current institution is admitted to Georgetown College, the student will be placed in the Academic Centered Experience Program (ACE) at Georgetown College and will be subject to all requirements and restrictions of that status.
