#### ***General Transfer Requirements***

1. **Definition of Transfer Student:** Any student who has completed high school and has most recently been enrolled full-time at any other accredited institution is a transfer.
2. **Hours Requirements:** Transfer students with less than 24 hours must meet all criteria stated in GC admissions requirements, given that the student is in good academic standing at their most recent institution.

3. **Scholarships:** Transfer scholarships are based on a student's college coursework grade point average. These amounts are offered based on a range of a 2.0-4.0 GPA. Students are also highly encouraged to complete their FAFSA by visiting [www.fafsa.gov](http://www.fafsa.gov).
4. **Special Circumstances:** Students applying to Georgetown College who have not maintained the minimum scholastic attainment for the number of cumulative quality hours attempted at their most recent institution must provide a personal statement examining the causes for the failure to thrive and proposing what will be different for the student if admitted to Georgetown.
5. **Academic Centered Experience:** If a student who has not maintained the minimum scholastic attainment from their current institution is admitted to Georgetown College, the student will be placed in the Academic Centered Experience Program (ACE) at Georgetown College and will be subject to all requirements and restrictions of that status.
